

Introduction to TSANet

Limited Members

The Technology Vendor Support Alliance

TSANet is a not-for-profit global collaborative alliance consisting of **900+** companies working together to improve their shared customers' support experiences.

Member Benefits...

Multi Vendor Collaboration

A simple solution that improves:

-  Customer Experience
-  Partner Relationships
-  Employee Satisfaction

Support Community

Join a Regional Focus Group to:

-  Network with Industry Peers
-  Improve Support Processes
-  Share Technical Knowledge

TSANet Collaboration Framework

Common Customer

Meet in the Market

Customer builds a solution and purchases support from each Vendor.

Vendors collaborate on issues as needed. TSANet legal and operational framework used for collaboration.

Limited Members

Alliance Partner

Technology Partner Programs

Validated configurations from your partner or developer marketplace

Support model documented for Customers and Partners with TSANet collaborative support commitment

Strategic Partner

OEM, Solution Support

Solutions from your company with integrated technology

Support provided by lead vendor. Back line product support in place with other vendors.

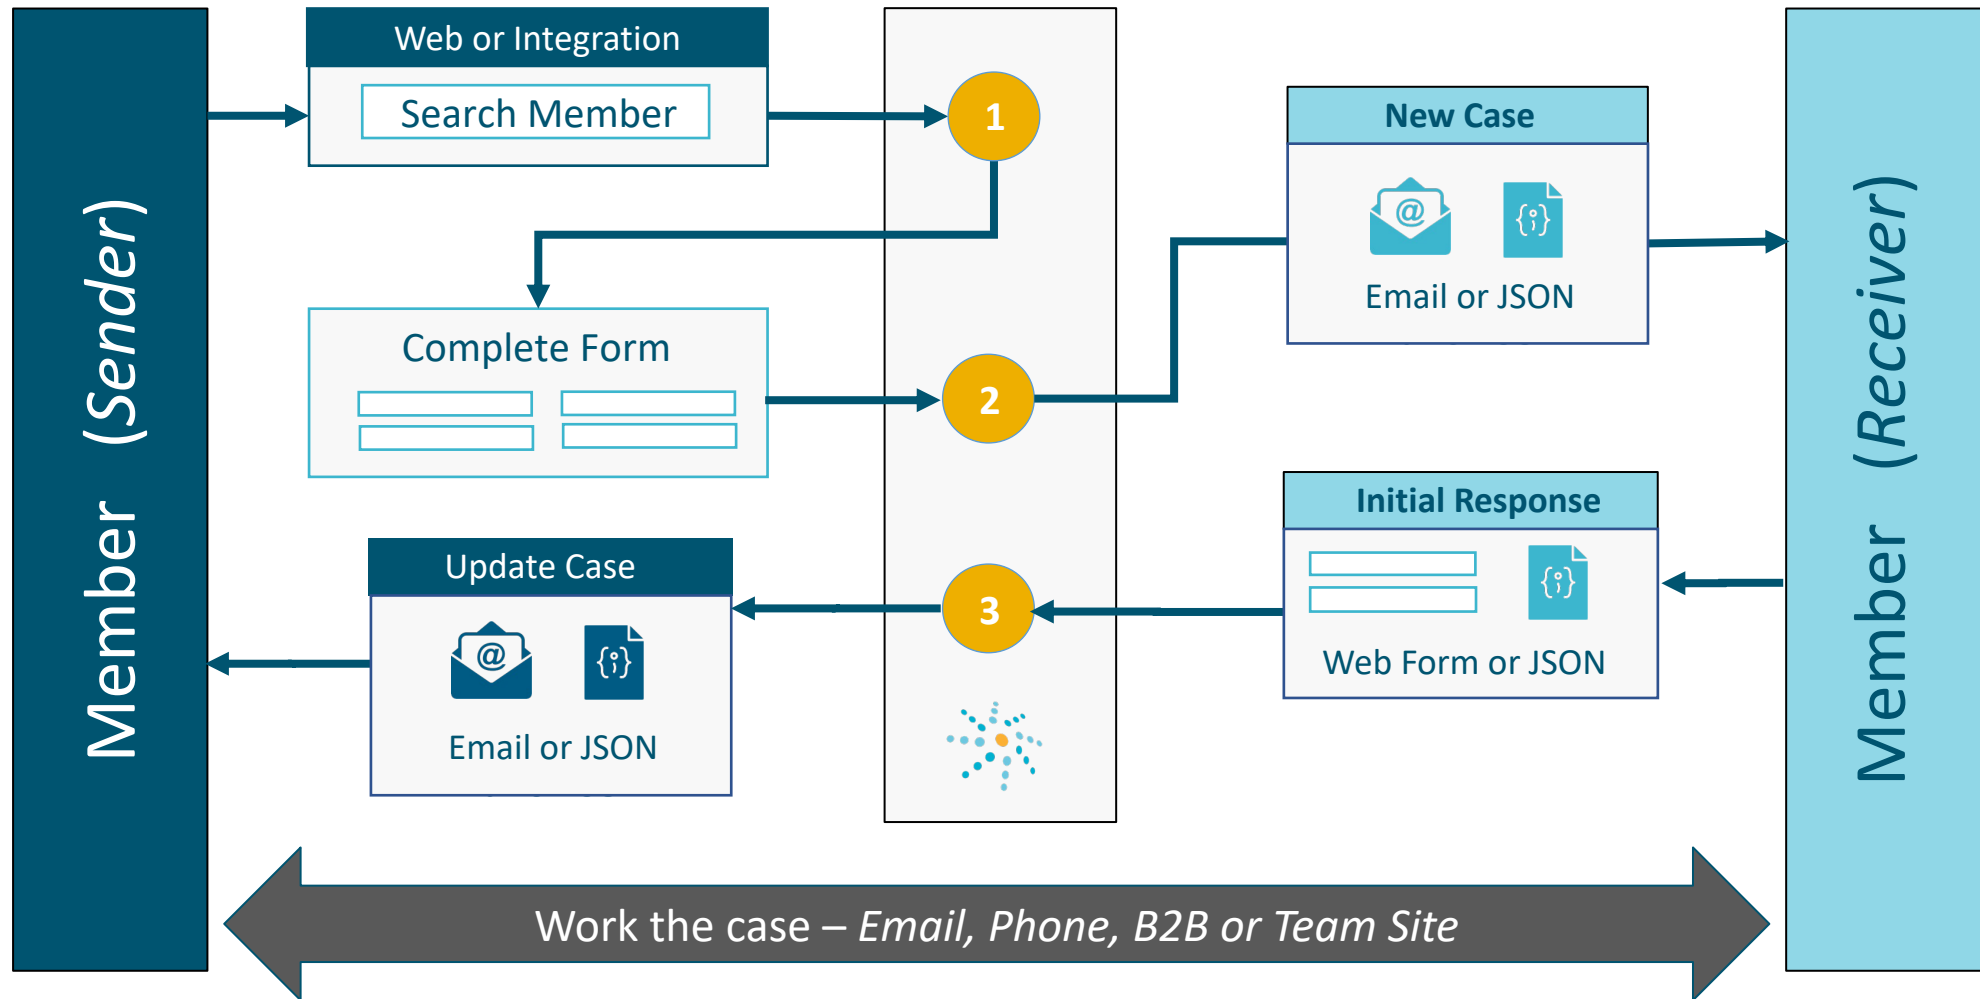

Support for all Technology Partner Models

Limited Member Overview

1. Creates a bi-lateral support collaboration path with the host → Customer confidence that their validated solutions are supported by both Vendors
2. Benefits for the Host – An efficient way to manage 100's of Partners using a best practices framework
3. Benefits for the Limited Member – Common way to collaborate with Partners and benefit from other TSANet Features such as Technical Knowledge Exchange
